

Nomenclatural novelties : Alexander B. Doweld

**Stypinellales** Doweld, ord.nov.

**IF550367**

With a rust-parasitic haplophase. Parasites on roots of vascular plants. NOTE: A new ordinal name is established due to subsuming of the family name Helicobasidiaceae P. M. Kirk (in Ainsworth & Bisby's Dict. Fungi, ed. 10: x. 2008) into synonymy of the earlier, validly published family name Stypinellaceae Rostowzew (Morf. Sist. Nizsh. Rast.: 312. 12 Mai 1911).

Holotype *Stypinella* J. Schroeter.
